Direction of Trade Statistics Yearbook: 2016

Seven years of data for approximately 184 countries and two sets of world and area summaries; world and area trade as seen by the reporting countries and by the partner countries to those transactions. Three sections--World and Area Tables, Memorandum Tables, and Country Tables--constitute the framework for the data. The latter show current information on the value of imports from and exports to their most important trading partners. Similar summary tables are presented for the world, industrial countries, and developing countries. A list of country and area codes is an additional feature. Text is in English, French, and Spanish.
