Lake Houses

John Visser, Judy Ross

Lake Houses John Visser, Judy Ross

The definitive book on "lake-house " style.

This richly illustrated book takes the reader deep into lake country to reveal the essence of lake house and summer cottage style. Spectacular photographs and insightful essays capture the best of 100 revered homes.

Lake Houses is a guided tour of gardens where bright impatiens grow among the roots of island trees, past hammocks hung from the weathered beams of a breezy wraparound veranda, into rustic turn-of-the-century cottage kitchens, and across the warm wood floors of sun-drenched sitting rooms on the bay.

This enchanting book is full of memories, but it also serves as an idea book. In these pages, lake house owners from several regions welcome visitors onto their properties and open the doors to their beloved summer residences.

Included are chapters on:

- Exteriors
- Living rooms
- Dining rooms
- Kitchens
- Boathouses
- Bedrooms
- Bathrooms
- Guest cabins and bunkies
- Decks, docks and gazebos
- Verandas and porches
- Wall works and fireplaces
- Gardens.

Whether designed by a famous architect or a pragmatic relative many generations ago, these lake houses represent the soul of summer.

Charles Valentine:

A lot of people always spent their very own free time to vacation or go to the outside with them family or their friend. Do you know? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity that is look different you can read a book. It is really fun for you. If you enjoy the book you read you can spent 24 hours a day to reading a book. The book Lake Houses it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. In case you did not have enough space bringing this book you can buy the actual e-book. You can m0ore effortlessly to read this book out of your smart phone. The price is not to cover but this book has high quality.

Wanda Crane:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Lake Houses can make you feel more interested to read.
