Mastering the Watercolor Wash

Joe Garcia

Mastering the Watercolor Wash Joe Garcia

In watercolor paintings it is the masterful use of washes that creates depth, spontaneity and atmosphere. In *Mastering the Watercolor Wash*, Joe Garcia provides clear, simple step-by-step instructions that teach the four basic washes: flat, gradated, wet-into-wet and streaked. Painters will find plenty of guidelines and 33 demonstrations that combine these techniques to create light and shadow effects, as well as a variety of textures for popular subjects including rocks, clouds and sand.

They'll also learn how to develop unique textures and special effects using salt, a palette knife, masking fluid, sponges, dry brushes, spattering and lifting techniques.
