New England Harbors Calendar 2002

New England's harbors served as America's nearest links with the "Old World" and, eventually, the world beyond. Ports like Boston, Salem, Plymouth, New Bedford, Newport, New London, and many more, brought business, culture, people, and news of the world to our shores. Though our harbors rarely see a square-rigged ship today, they remain bustling ports of call. New England Harbors celebrates a centuries-long connection with the sea in wonderful photographs by Paul Rezendes.
