Romantic Suspense's Rising Star Continues to Win Fans

Blacklisted in the photography business over a controversial shot, Avery Tate answered an ad for a crime scene photographer. She expected to be laughed at, but crime scene analyst Parker Mitchell hired her outright--and changed her life. But six months ago, when her feelings for Parker became too strong, she left his employ to sort out her heart.

Now, for the first time, Avery is facing the world that rejected her to attend the gallery opening of a photography exhibit and support her best friend, who modeled for the show. But the only image of her friend is a chilling photo of her posing as if dead--and the photographer insists he didn't take the shot. Worse, her friend can't be found. She immediately calls Parker for help. As Avery, Parker, and his friends in law enforcement dig into the mystery, they find themselves face-to-face with a relentless and deadly threat.
