The N Word Stephen Hagan

An uncompromising insight into Indigenous politics. Academic and political advocate, Stephen Hagan, went all the way to the United Nations with his battle to remove the word 'Nigger' from a sign at a Queensland sports ground. The N Word exposes the passion and courage of the man behind the public face and reveals how a childhood growing up in a fringe camp on the outskirts of Cunnamulla in south-west Queensland fired his determination to fight for human rights.
