From the bestselling author of *QBQ! The Question Behind the Question* comes a workbook to help you on your journey to embrace personal accountability.

Who Moved My Cheese? showed readers how to adapt to change. *Fish!* helped raise flagging morale. Execution guided readers to overcome the inability to get things done. *QBQ!: The Question Behind the Question*, now a classic bestselling guide celebrating 15 years in print, addresses the most important issue in business and society today: personal accountability.

This brand-new workbook and study guide will take you deeper into the material, allowing you to explore and absorb how to replace blame, complaining, and procrastination with personal accountability, by asking the simple question, "What can I do better next time?"

Instead of, "Who dropped the ball?" "Why do they keep messing up?" or "Why do we have to go through all these changes?" you will begin to ask, "How can I improve this situation?" "What can I contribute?" and "How can I make a difference?"

The perfect companion to *QBQ!* and a powerful tool for individuals, teams, and organizations, this deceptively simple workbook presents a bold new way to solve problems, improve teamwork, increase productivity, and pave the way for extraordinary success.
