## Elephant House (Animalibus) Nigel Rothfels

In *Elephant House*, photographer Dick Blau and historian Nigel Rothfels offer a thought-provoking study of the Oregon Zoo's Asian Elephant Building and the daily routines of its residents—human and pachyderm alike. Without an agenda beyond a desire to build a deeper understanding of this enigmatic environment, *Elephant House* is the result of the authors' unique creative collaboration and explores the relationships between captive elephants and their human caregivers.

Blau's evocative photographs are complex and challenging, while Rothfels's text offers a scholarly and personal response to the questions that surround elephants and captivity. *Elephant House* does not take sides in the debate over zoos but focuses instead on the bonds of attentiveness between the animals and their keepers. Accompanied by a foreword from retired elephant keeper Mike Keele, *Elephant House* is a frank, fascinating look at the evolving world of elephant husbandry.
