"Do people still need Mr. Marriage?" When Mr. Rational asks this deceptively simple question, he has no idea that it will lead to a public trial of Mr. Marriage, presided over by Mr. Truth and organized by none other than God Himself. And all of humanity - including you! - is invited to attend. During the trial, you'll hear testimony about Mr. Marriage from Mr. Past, Mr. Present, and Mr. Future, along with an exciting array of other witnesses such as Mrs. Woman, who is violently angry about the oppression she has endured in the name of marriage; Old Man, who will reveal some ugly secrets about the origins of marriage and religion; Flexihumans, who just want the right to love whomever they choose; Child, who will pass the final judgment on Mr. Marriage; and other surprise guests. God might even get a word in, if He's lucky! Refreshments and entertainment will be provided, of course. Join your fellow humans on a fascinating fictional tour of the history of the institution of marriage that is both humorous and horrifying. Be prepared to challenge your most deeply held beliefs, and to envision a brighter future for humanity...
