Prometheus, A New Dawn Nicole MacDonald

Created by science. Hunted by humans Created by science, Prometheans could be the ultimate apex species. But only if they break the genetic shackles forced upon them by their creators, humans. With their entire population under threat, two Prometheans take the collective fate of all into their own hands. To save their species from extinction, from the merciless human raiders who hunt them, they will have to break the last taboo. Before the humans reach them...
