The RCRA Practice Manual

The RCRA Practice Manual

Focusing on the federal government's program for managing hazardous wastes under RCRA, this is a comprehensive yet easy-to-use guide to an extraordinarily complex area of environmental law. Written by an impressive roster of environmental lawyers, chapters examine the law in detail while providing a unique, practical focus. It explains RCRA's regulatory structure, procedures, and relationship to other laws while offering practical suggestions for understanding its implications for your client or company and how to react to the situation.
