The Year of the Pig: Tales from the Chinese Zodiac Oliver Chin

"*The Year of the Pig* (the sequel to 2006's *Year of the Dog*), is the perfect gift to any new parents you encounter this year." - SFist

"*The Year of the Pig* tells the story of Patty, a pig who is criticized for her piggish behavior. In the end, though, her devil-may-care, impulsive side wins the day...[The artwork is] reminiscent of the work of Chuck Jones, the animator behind such Warner Bros. cartoon characters as Bugs Bunny. They look like animation stills...With his new series, Chin wants to bring the ancient stories of the Chinese zodiac to life in a modern context." - *San Francisco Chronicle*

The piglet Patricia explores the farm with her parents and Farmer Wu. Growing up is a learning process, as Patty gets advice from her uncles, aunts, and cousins. But being a sensible pig takes practice, as Patty realizes when Farmer Wu loses his jade ring! Can Patty demonstrate her best qualities when others think they aren't?

Patty's amusing journey to appreciate her true nature will delight children, new parents, those interested in Asian culture, and lovers of classic pig tales such as *Babe* and *Charlotte's Web*.

"The characters were enchanting, the stories engrossing... And I liked how educational the books are, both of which have a description at the end of what it means to be born in the Year of the Dog (or Year of the Pig). The illustrations are extraordinary pieces of art. I can't wait to get each of the books in this series." - The Opinionated Parent

"With its delightful narrative and appealing artwork, *The Year of the Pig* reminds us of the many porcine qualities we would do well to cultivate in ourselves: intelligence, curiosity, sincerity and generosity. How wise are those who learn from pigs rather than eat them!" - Sy Montgomery, author of *The Good Good Pig*

Regina Hash:

In this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become one among it? It is just simple solution to have that. What you must do is just spending your time not very much but quite enough to possess a look at some books. One of the books in the top list in your reading list will be The Year of the Pig: Tales from the Chinese Zodiac. This book which can be qualified as The Hungry Hillside can get you closer in becoming precious person. By looking up and review this guide you can get many advantages.

Paul Herbert:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore, this The Year of the Pig: Tales from the Chinese Zodiac can make you really feel more interested to read.
