Over one-hundred-fifty years ago, Lewis Carroll created a new literary and creative landscape called Wonderland. This blank keepsake journal honors that creative endeavor. In its pages may you find your own magical landscapes. Whether you're thinking of at least six impossible things before breakfast or pondering which way to go on the journey of life, these pages are the perfect place to capture your musings. The unlined pages encourage you to jot down not only your words, but your doodles, sketches, designs, colored pencil and markers tests, and more. Its small 6 x 9 format is an excellent place for vision board ideas, to do lists, and photos and other precious keepsakes, but small enough to fit in your shoulder bag. Carry it with you everywhere you go. Great for a wedding gift, as a party favor, or just because.
