Darla Decker Hates to Wait (Darla Decker Diaries)

Jessica McHugh

Darla Decker Hates to Wait (Darla Decker Diaries) Jessica McHugh

"This novel has the potential to be to a modern audience what [Judy] Blume's works were to girls of the 70s and 80s, and its blunt honesty and relevant topics make it the preferable choice." ~ *AvidEye*

[Young Adult (13 and Up), Coming of Age, Teenage Girls]

Patience is not Darla Decker's strong suit. Surviving sixth grade is tough enough with an annoying older brother, a best friend acting distant, and schoolwork. After adding instructive kissing games and the torturous wait for a real date with her biggest crush, Darla is perpetually torn between behaving like an adult and throwing temper tantrums.

Games of flashlight tag, and the crazy cat lady roaming Shiloh Farms in a "demon bus," serve as distractions during her parents' quarrels and her anxiety about show choir auditions. Yet the more Darla waits for her adulthood to begin, the more she learns that summoning patience won't be the hardest part of being eleven.

A frank and funny look at the path to adulthood, *Darla Decker Hates to Wait* begins a journey of love, loss, and the nitty-gritty of growing up through Darla Decker's eyes.

***Darla Decker Hates to Wait* by Jessica McHugh**
