Agatha Chris Topolis was born into a hardworking and loving middle class Greek family. As she grew older, she was obsessed with making her own way in society and becoming rich and famous. At a very young age, her mother taught her how to cook eggplant recipes with a very “special ingredient.” This enabled her to pursue a successful career in cooking and party planning. Although, she had many disappointments with love interests, her philosophy was to be giving and “pay it forward.” Agatha had a passion for excitement which made her a vulnerable and easy target for crime. A complicated woman, she worked hard to be a good person and achieve her goals. Don’t miss the chance to find out the exciting turn of events. Did she get what she wanted in the end? It is a farce full of delicious surprises. Follow the fantasy and find yourself frolicking in endless foolishness.
