## **Inson Dubois Wood: Interiors** Inson Wood

The first monograph on the interior design work of the New York–based architect and an essential resource for those seeking to create luxurious modernist spaces. Inson Wood is renowned for designing elegant interiors with richness, texture, and impeccable proportions. A masterful use of architectural elements in the way he treats and defines space has been a hallmark of his aesthetic since graduating from Harvard Graduate School of Design. Wood’s subtle tonality, with colorful accents, creates sophisticated rooms that are equally inviting and perfect for a modern family lifestyle. With roots in the United States, Thailand, and France, Wood’s cosmopolitan perspective incorporates diverse antiques and modern furniture to create interiors that are luxuriously comfortable. Lavishly illustrated, Wood’s first monograph profiles a sumptuous range of the designer’s work, from the opulent Waterfall Mansion in New York to a family-oriented home in Greenwich and a charming villa in Saint-Tropez on the French Riviera. Offering a wealth of original design ideas, *Inson Dubois Wood: Interiors* is an essential addition to any respectable library of interior design.
