Inventor of Love & Other Writings (Translation Series) Gherasim Luca

A discourse on the re-invention of love but beginning on a sombre note of suicide. A work of desire, despair, and reconciliation. A polemical and theoretical text far ahead of its time. One of the most extraordinary texts of any of the Surrealists of that time period (1940's) by one of Romania's most important members of the Bucharest Surrealist group. First translation into English. An overview of Luca's work.
