## Louis Vuitton, Ultimate Collection of Windows

The windows of Louis Vuitton's storefronts are magnetic. Onlookers stand with eyes wide in wonder at such spectacles as a colossal roller coaster, a panoply of brightly colored hot-air balloons, or a universe of polka dots. With an oeuvre of over thirty-five displays, creators Faye McLeod and Ansel Thompson bring the windows of one of the world's leading luxury brands to life with unparalleled magic. Featuring an introduction by The New York Times fashion director and critic Vanessa Friedman, these celebrated vitrines are presented as works of art in this hand-bound oversize Ultimate Collection edition, capturing the inspired world that is Louis Vuitton.
