An invaluable source of hard-earned practical knowledge and experience, the Practical Approach series assimilates the best and most current laboratory techniques from leading medical and life science researchers around the world.

On CD-ROM, up to 68 best-selling titles are available for the first time in electronic format, allowing unique and instant access to around 5,000 tried and tested protocols. Using a new encryption system, researchers can access all 68 titles in the series or just a selection of them through a variety of unlocking options.

Featuring a user-friendly interface and powerful search engine, Practical Approach on CD-ROM is designed to speed up lab work. It provides busy researchers with an electronic database from which they can draw upon 20,000 pages of the best methods and techniques in print, and find the information they need, the moment they need it.
