Now completely revised and updated, this book is a self-help and career-management book for lawyers of all levels of experience. The book is a step-by-step method for imagining and realizing your path to personal and professional satisfaction. The book will:

- Give you a template for envisioning and managing your own professional development, whatever path you choose
- Help you to manage your career so that you can stay happy.
- If you are not sure what you think about your career, it will give you a framework for sorting things out and moving forward amidst ambiguity.

Brilliantly written, consistently practical, and filled with scores of illuminating exercises, including many new ones, The Creative Lawyer is the book that the profession has been waiting for. "Professional satisfaction," the author writes, "is a question of creating what you want, not just waiting for it to appear."
