The Dream of Lafcadio Hearn Roger Translator Pulvers

This fascinating fictional account of the life and times of Lafcadio Hearn probes the question: "What was the nature of this man, born wanderer, informant of the fiendish details of Japanese lore... a man who chose to live his life 'in defiance of the season'?" Though now largely forgotten in the West, he is, in the 21st century, still considered by the Japanese to be the foreigner with the most insight into their mind and mores. Orphan of Europe, chronicler of the eerie and the grotesque, journalist and ethnographer of subcultures, Greek-Irish author Lafcadio Hearn arrived in Yokohama from the United States in 1890. During his 14-year stay in Japan he wrote 14 books about the country, becoming known, in the decades succeeding his death, as the foremost interpreter of things Japanese in the West. The Dream of Lafcadio Hearn is a novel not only about Hearn in Meiji Japan but about any person in any era who may feel, for a time or forever, more at home in a foreign land than in their own. The novel is preceded by a detailed introduction on Hearn from the time of his birth in Greece in 1850 until his death in Japan in 1904.

From reader reviews:

Glen Hoffman:

The book The Dream of Lafcadio Hearn can give more knowledge and also the precise product information about everything you want. Exactly why must we leave a very important thing like a book The Dream of Lafcadio Hearn? A number of you have a different opinion about book. But one aim which book can give many info for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or information that you take for that, you may give for each other; you could share all of these. Book The Dream of Lafcadio Hearn has simple shape however, you know: it has great and massive function for you. You can look the enormous world by available and read a publication. So it is very wonderful.

Edmond Pounds:

As people who live in the particular modest era should be upgrade about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe may update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know what type you should start with. This The Dream of Lafcadio Hearn is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Kenneth Harrell:

The particular book The Dream of Lafcadio Hearn has a lot of knowledge on it. So when you check out this book you can get a lot of gain. The book was published by the very famous author. Mcdougal makes some research just before write this book. This specific book very easy to read you can get the point easily after looking over this book.

Lillie Granado:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Dream of Lafcadio Hearn can make you truly feel more interested to read.
