When You've Had Everything, What's Next?

A wealthy boyfriend, designer clothes, exotic vacations, and a Central Park penthouse-these are a few of Eva Cantrell's favorite things. But when her sugar daddy turns out to be an investor swindler and goes on the run, he leaves an unsuspecting Eva without a couture bag to her name.

With the gravy train permanently derailed, suddenly nobody is who Eva thought they were. Her socialite best friend has become her worst enemy, and her new attorney is an all-out hunk who makes it difficult to keep their relationship strictly professional. And with her return to her old south side Chicago neighborhood, Eva's also got her hands full dealing with her always out-there family of dreamers, divas, and straight-up scammers. Now Eva has one last chance to face the past, get a life that's truly hers, and find out if the best things in life really are free.
