Blood Red Tide (Bad Times) (Volume 2) Chuck Dixon

Treasure is when you find it. The Rangers have returned from the prehistoric past to find themselves in an even more dangerous time---the present. Being on the run takes money. On the run from the richest man in the world takes millions. From a forgotten cave in the Nevada desert to the pirate-infested seas of the ancient world, the Rangers hunt for treasure lost to time. The travelers to the past find, once again, that history is not what it seems and the future is always in doubt. "Chuck is a damn good writer who is really good at hooking you, giving you fun characters, and telling you one hell of an adventure story." Larry Correia, Monster Hunters International, the Grimoir Chronicles "An intelligent and well thought-out high action time travel story." Noah Mullette-Gillman, Luminous and Ominous "Dixon excels at putting down action, of introducing larger-than-life heroes, kicking them through the door into a big mess, and having them sort out a situation in a flurry of martial arts moves and big guns." Mel Odom, The Rover series.
