## Chris Orr: The Multitude Diaries Chris Orr

A visual invitation to explore the imagination of a master printmaker.

A scrapbook of printmaker Chris Orr's observations and ongoing preoccupations, *The Multitude Diaries* presents 240 of the drawings from the last twenty years. A prodigious draftsman, Orr introduces in his drawings a cast of characters, artifacts, symbols that appear and reappear against fictional and real backdrops, whether river, street, or skyline. Often rehearsals for prints and paintings, these drawings, when combined, form a visual labyrinth that reveals both the potential of the drawing-book for experimentation and the panoramic scope of Orr's work. *The Multitude Diaries* provides an invaluable look at the artist and creative evolution.
