For the fourth consecutive year, Sebastian Vettel has won the Formula 1 World Championship for drivers. He did so with 13 victories out of the season's 19 races, from the Grand Prix of Belgium to the Brazilian GP. All aspects carefully explained by Giorgio Piola in his latest book in the "Technical Analysis" series, which is now a must-have for all enthusiasts. This edition also includes over 300 color illustrations, which unveil all the secrets of the cars that battled for the 2013 world title; and then there is an early look ahead to the principal changes of 2014, when the cars go back to being powered by a turbocharged engines of 6-cylinders and 1600 cc. instead of the classic normally aspirated V8.
