Laughter is said to be the best medicine. If there is one thing that the new book *Punch Lines: "Humerus" Art* by George Wachob is meant to do, it is to make you laugh. Regardless of whether or not you think that it will be good for your health, *Punch Lines* will certainly lighten your mood and bring a smile to your face. This book contains 60 unique pun art pictures and punch lines (titles). The layout allows you to try to discover the name of each drawing before you actually see the title. Some puns are a little easier to guess while others require a more "furrowed brow" approach (and maybe a somewhat more twisted sense of humor). Even young children who can't read enjoy the humorous art and often come up with titles that can be just as funny as those intended by the author. Our test subjects gave this book a "Groan Index" of 9.5 out of 10. Random, hysterical outbursts of laughter were also noted from a number of readers. For these reasons, it is recommended that you do not view this book in a public library.
