**Katerina's brother is keeping secrets...**

I used to be a normal college girl.

Now I'm a fugitive from the Galactic Federation.

I'm frantically searching for my twin brother, I have to find him before the Federation catches up to me, but he is only spoken about in whispers by the ones who know him. Finally, I have a location - Enzo - but it's a top secret, military base that performs genetic enhancements and alterations on soldiers. It's the last place I should go, but I don't have a choice - not if I want to find Kris.

I'm afraid of what I'll learn. Will I find the answers I've been looking for, or will I be walking into a trap?
