Romans Through Revelation (Theology of Work Bible Commentaries) Theology of Work Project

"This series is a magnificent contribution to one of the most neglected themes in Christian ethics. . . . The conversation about faith and work is deeper and richer thanks to the Theology of Work Project."--Andy Crouch, Executive Editor, Christianity Today

What does the Bible have to say about work? This one-of-a-kind Bible resource answers that very question.

The Theology of Work Bible Commentary is an in-depth Bible study tool put together by a group of Bible scholars and businesspeople.

The content is from TheologyofWork.org and has never

before been in print. It reveals what the Bible says about all kinds of work and offers insight from every single book of the Bible. This volume is part of a multivolume series and covers Romans through Revelation. Volume 4 is already available. Volumes 1-3 coming soon.

Pastors will find these volumes helpful as they consider the Bible's perspective on work when teaching on particular passages or topics. Professors may use the commentary to help prepare classes or as a textbook for students. Laypeople may find practical help for workplace decisions, or they may read it as part of their personal or group Bible study.

"The design and layout are brilliant! It's easy to access material by subject and topic. I'm impressed by the contributors and know others will feel inspired and encouraged by their collective wisdom, too."

-Nancy Matheson-Burns, CEO, Dole and Bailey
