Dignity in Adversity: Human Rights in Troubled Times Seyla Benhabib

The language of human rights has become the public vocabulary of our contemporary world. Ironically, as the political influence of human rights has grown, their philosophical justification has become ever more controversial.

Building on a theory of discourse ethics and communicative rationality, this book addresses the politics and philosophy of human rights against the background of the broader social transformations that are shaping the modern world. Rejecting the reduction of international human rights to the Trojan horse of a neo-liberal empire's bid for world power, as well as the conservative objections to legal cosmopolitanism as encroachments upon democratic sovereignty, Benhabib develops two key concepts to move beyond these false antitheses. International human rights norms need contextualization in specific polities through processes of what she calls 'democratic iterations.' Furthermore, such norms have a 'jurisgenerative power,' in that they enable new actors to enter fields of social and political contestation; they promote new vocabularies for public claim-making and anticipate a justice to come.

Ranging over themes such as sovereignty, citizenship, genocide, European anti-semitism, the crisis of the nation-state, and the 'scarf affair' in contemporary Europe and Turkey, this major new book by one of our leading political theorists reflects upon the political transformations of our times and makes a compelling case for a cosmopolitanism without illusions.

From reader reviews:

Mark Blanding:

Throughout other case, little individuals like to read book Dignity in Adversity: Human Rights in Troubled Times. You can choose the best book if you love reading a book. Providing we know about how is important a new book Dignity in Adversity: Human Rights in Troubled Times. You can add understanding and of course you can around the world by way of a book. Absolutely right, since from book you can realize everything! From your country till foreign or abroad you can be known. About simple factor until wonderful thing you may know that. In this era, we can open a book or searching by internet gadget. It is called e-book. You should use it when you feel fed up to go to the library. Let's study.

Mae Marks:

Spent a free a chance to be fun activity to complete! A lot of people spent their free time with their family, or their own friends. Usually they carrying out activity like watching television, about to beach, or picnic in the park. They actually doing same every week. Do you feel it? Will you something different to fill your own free time/ holiday? Can be reading a book might be option to fill your free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to attempt look for book, may be the book untitled Dignity in Adversity: Human Rights in Troubled Times can be excellent book to read. May be it may be best activity to you.

Shirley Davenport:

Exactly why? Because this Dignity in Adversity: Human Rights in Troubled Times is an unordinary book that the inside of the guide waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such remarkable way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I ended up you I will go to the guide store hurriedly.

Curt Stewart:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Dignity in Adversity: Human Rights in Troubled Times can make you truly feel more interested to read.
