Intelligence, Defence and Diplomacy: British Policy in the Post-War World (Studies in Intelligence)

Richard J. Aldrich, Michael F. Hopkins

What was Britain's reaction to the death of Stalin? How has Britain reconciled a modern nuclear strategy with its traditional imperial defence commitments around the world? How has secret intelligence affected the 'Special Relationship' since 1945? Certain clear questions and perennial themes run through British overseas policy since 1945. This book examines them, drawing on new research by leading historians and scholars in the field.
