My Heart (My Body) Kathy Furgang

This comprehensive series on the workings of the body manages to be easily understandable without oversimplifying any of the complex processes that happen inside our bodies. Readers will appreciate the step-by-step introductions to various systems and organs of the body, and they will enjoy the dynamic illustrations that accompany the energetic text. Introduce your students to the amazing and exciting machine that is the human body with this engaging series.

The heart is a marvelous muscle, and with this book, readers can learn all about it: how it works, what happens when it doesn't work well, and how to keep it in good shape. Students are introduced to the parts of the heart and the function that the heart plays in carrying oxygen to every part of the body, as well as the role of white and red blood cells, capillaries and more.

From reader reviews:

Teresa Howard:

With other case, little people like to read book My Heart (My Body). You can choose the best book if you'd prefer reading a book. Provided that we know about how is important a book My Heart (My Body). You can add expertise and of course you can around the world by way of a book. Absolutely right, simply because from book you can recognize everything! From your country until finally foreign or abroad you can be known. About simple thing until wonderful thing you are able to know that. In this era, we can easily open a book as well as searching by internet device. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's examine.

Brian Ramos:

Spent a free time for you to be fun activity to try and do! A lot of people spent their spare time with their family, or their own friends. Usually they undertaking activity like watching television, gonna beach, or picnic in the park. They actually doing same every week. Do you feel it? Will you something different to fill your own free time/ holiday? Could possibly be reading a book is usually option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to test look for book, may be the guide untitled My Heart (My Body) can be fine book to read. May be it could be best activity to you.

Angelica Adams:

Many people spending their time by playing outside together with friends, fun activity with family or just watching TV all day long. You can have new activity to pay your whole day by reading through a book. Ugh, you think reading a book can really hard because you have to accept the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smart phone. Like My Heart (My Body) which is getting the e-book version. So , try out this book? Let's see.

Manuel Rose:

Is it you who having spare time subsequently spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This My Heart (My Body) can be the reply, oh how comes? It's a book you know. You are therefore out of date, spending your time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
