Salt Book of Younger Poets

The Salt Book of Younger Poets showcases a new generation of British poets born since the mid-80s. Many of these poets have used new technologies such as blogs, social networking and webzines to meet, mentor, influence and publish each other. Some of the poets here were winners of the Foyle young poet awards when at school. Some have published pamphlets in series such as tall-lighthouse Pilot and Faber New Poets. All of them are working away on first collections. This is a chance to encounter the poets who will dominate UK poetry in years to come.
