## **The New Grove Haydn** Jens Larsen

The eagerly awaited publication of the second edition of The New Grove Dictionary of Music and Musicians will be a major event in the world of music in the year 2000. Grove is the name for music information on an international scale, instantly recognised and constantly used by music scholars and enthusiasts the world over - and the new edition will reflect some of the enormous changes in the world of music over the last twenty years. For the first time ever, four paperback companions are to be published featuring new research, writing and bibliography derived from the new edition, in advance of the publication of The New Grove II itself.
