Grenada - a virtual microcosm of everything the Caribbean is, was and should be. Secluded beaches, pristine tropical jungles, warm turquoise-hued seas and deep crater lakes rarely ever come together at one location. Add to all of this a fascinating history and the magical scents and flavours of exotic spices and call it Grenada - a spice paradise. In this compelling photographic essay Roger C. Brathwaite paints a passionate portrait of his home-land, he takes his camera to the heart of this island to capture the wonder, beauty and mystery of this tropical gem that the Carib natives, the French, British, and more recently the Americans, fought to control. Join in an exploration of the sometimes tragic history of this island paradise, feel the pulse of its daily life and meet its wonderful people. Admire the natural beauty of this living Eden and glimpse in to the very soul of a land that can only be described as a spice paradise. Roger C. Brathwaite, is Grenadian by birth, is a photographer and artist. This is the second edition of his book
