The manager of an exclusive boutique hotel (who shall remain nameless) exposes the low-life styles of the rich and famous.

And we're not talking just loud all-night bashes...

The anonymous author has encountered lavish drug parties, gorgeous call girls, naked guests falling out of windows, \$9,000 bottles of wine, astronomical telephone porn bills, bathtubs of Evian, and on more than one occasion, dead sheep. And every dirty word of it is true.

This is a trawl through the decadence and debauchery of the ultimate service industry—where money not only talks, but gets guests the best room, the best service, and also entitles them to behave in any way they please.
