Ladybug Girl's Day Out with Grandpa Jacky Davis

Ladybug Girl and Grandpa visit the museum in the *New York Times* bestselling series' latest picture book! Lulu wants to learn *everything*, but she discovers that sometimes you have to slow down to appreciate the wonder of what's around you.

When Lulu and Grandpa visit the museum, Lulu wants to see it all! Grandpa suggests exploring bit by bit, but Lulu can do it all—she's Ladybug Girl! But there is *so much* to see. Even Ladybug Girl may never see it all. Then Grandpa shows her something extra special: the butterfly room! Inside, Lulu slows down. She looks and listens. And she realizes that Ladybug Girl can be like a flower if she holds very still and thinks flower thoughts. When a shining blue butterfly lands on her finger, she understands that even if she can't learn everything in one day, she can learn so much from each moment, if she only takes the time to look around.
