Getting into a top-tier university or college is well within your grasp. There are secrets and tips that will not only help you stand out amongst the competition, but also significantly increase your odds of both being accepted and ultimately succeeding at your dream school. While having a strong SAT score and GPA are important, they are not the most important factors of your candidacy. The author, Porter Braswell, a Yale 2011 graduate, along with other recent graduates and current students from Princeton, Yale, Boston College, Columbia, NYU, Brown, Notre Dame, Amherst, and UNC will share with you the secrets and tips that helped them gain admission. Additionally, get a rare look at actual accepted college essays written by both current and former students from Harvard, Stanford, Duke, Yale, NYU, Brown, UPenn, USC, and Amherst. After reading "Yes, You Can" you can no longer use the excuse, "I didn't know," or, "No one told me," as the reason why you either didn't get into or succeed at your dream school. You can attain unimaginable success by implementing the advice outlined in this book. Porter did, his peers did, and they would like to share with you how you can as well.
