## **Third Rule of Tennis:Have Fun!**

Why would anyone want to write another tennis book? As Beryl Markham said in her book "West With the Night", I should like to begin at the beginning, like a weaver at his loom. But, like Beryl, neither am I a weaver so I'll begin by just saying I love tennis and I love to write about it. As a certified tennis instructor I emphasize to my students the Third Rule of Tennis, have fun. These articles balance fun and instruction. They were published on the "Wild Cards" section of the [tennisserver.com](http://tennisserver.com) web site and six more on the Southern Tennis Association's "Tips and Trivia" site. There are no charts or diagrams and very little "how to". They are insights into the tennis world from tennis parties, tennis classes, the Learning Curve, the Kinetic Chain and some things in between; with Santa and my Aunt Hazel dashing about the tennis court - well maybe not Aunt Hazel. I hope you enjoy them and learn a little from my friends. -Tony Severino
