The Lodger (Oxford Popular Fiction) Marie Belloc Lowndes

In 1888, a series of prostitutes were brutally murdered in the East End of London. These gruesome crimes filled the press and shook England with fear and intrigue. Marie Belloc Lowndes established her considerable reputation as a crime writer through her fictional account of these murders. Dealing with not only the psychology of "The Avenger"--her version of Jack the Ripper--but also with that of his landlady, Mrs. Bunting, who never gives away his secret, Lowndes creates an atmosphere of suspense, fear, and horror.

The only paperback edition of this classic available, *The Lodger* is a chilling page-turner from first to last.
