The Sheikh's Pregnant Bride (The Jawhara Sheikhs Series) (Volume 1) Leslie North

When Sheikh Kamal first saw Erin from across the ballroom he knew he must have her - and he always got what he wanted. But Erin was unlike any other woman he had ever met. Even for an American she is exceptionally feisty, strong and stubbornly independent. A challenge to him. Yet he can't keep his eyes off her, her stunning beauty kept him captivated for the whole evening. When Erin first saw Sheikh Kamal she had no idea he was royalty and leader of Jawhara, one of the largest (and wealthiest) countries in the Middle East. She just saw him as an irresistible handsome man - tall, with deep brown eyes and a muscular physique. Definitely her type. He was perfect - apart from his personality. He was so arrogant, controlling, and dominating. Everything she told herself she NEVER wanted in a man. Yet, she feels such a strong pull towards him, even his scent is intoxicating.. They sneak away from the ball and go back to Erin's apartment where they share an intense night of love making. In the morning Kamal is called urgently back to his country. As the weeks go by, and the gifts from Kamal pile up, Erin makes a shocking discovery. She is carrying the heir to a kingdom... When Kamal discovers this, he will do anything to bring her to his country and make her his bride. But Erin has other ideas..
