Picking up where *Around the World in Eighty Days* left off, Harry Fogg, the son of Phileas Fogg, has just made a wager of his own. Harry bets that he can drive a steam-powered motorcar all the way around the world in only 100 days. Racing off with three companions, Harry undertakes a grueling journey that will pit him against flash fires, marauders, and even sabotage from within. In the tradition of the Jules Verne classic, this is one historical adventure that will have you racing to the finish!
