Auto Accident Personal Injury Insurance Claim reveals the inside secrets of claim negotiating and shows you how to settle your case for top dollar. This book will guide you through the insurance claim wilderness and provide you with the answer to that critical question: How much is my 'pain and suffering' worth? The mystery of how to place a value on your 'pain and suffering' has been solved with the introduction of BASE: The Baldyga Auto Accident Settlement Evaluation Formula. As the claims negotiation process moves towards a close, your settlement demands are very often too low or too high. You're ignorant of the accepted principles, which justify your demands. When you attempt to negotiate a settlement with these handicaps, you run a strong chance of being victimized. The amount of compensation you should be paid isn't found in a crystal ball. Rather, a number of simple factors such as the type of accident, related injuries, out-of-pocket expenses, medical costs and lost wages all go into determining how much a claim is worth. What amount an insurance company is willing to pay actually falls into a fairly narrow spectrum. To read this book is to become informed on bodily injury claim settlement facts and details. You'll discover how to implement BASE so y
