ONLY FULLY AUTHORIZED EDITION OF THIS RARE MANUSCRIPT It has been ordained that a select few must from time to time pass over the threshold that divides a mortal's present life from the future. Written well over a century ago, John Uri Lloyd was a visionary who spoke of far distant worlds, dead civilizations, other dimensions and in particular, a world few of us will ever get to visit. . . a world hidden beneath our feet inside the earth. Inspired by the fantastic -- in particular the art of alchemy -- the author reveal in this long lost manuscript how he joined a secret society and was introduced into the sphere of mysticism. A part of this spiritual journey included the opportunity to establish contact with a super-human, sightless being, inside a cave in Kentucky. Together they were transported to another realm filled with magic and wonderment. Some have placed it in the catagory of Alice in Wonderland...where does the mind magic start and end? You decide.
