Music, Discovery, Love. Can one summer make the difference of a lifetime?

Zahara is a loner. She's brilliant on the guitar but in everyday life she doesn't really fit in. Then she meets Shaka, himself a musical genius and the first boy who really gets her. They discover that they share a special bond, their passion for music, and Zahara finds herself a part, not just of Shaka's life, but also that of his boys, the Lion Crew. When they all get roles in a summer musical, Zahara, Shaka, and the rest of the Lion Crew use the opportunity to work on a secret project. But the Crew gets much more than they bargained for when they uncover a dark secret linking Shaka and Zahara's families and they're forced to confront some uncomfortable truths about class, colour, and relationships on the Caribbean island of Antigua.
