Blast back to discover what life was like on the *Titanic*!

You may have heard of the movie *Titanic*, but what was life on the actual *Titanic* really like? This engaging nonfiction book, complete with black and white interior illustrations, will make readers feel like they've traveled back in time. It covers everything from how the ship was built to what the passengers did for fun, and more. Find out interesting, little-known facts such as how the anchor was so heavy that they needed to use twenty horses to lift it and how the ship's musicians continued to play as the ship sank. The unique details, along with the clever illustrations, make this series stand out from the competition.
