Abel Crochet, a warlock whose beloved witch-wife had poofed, was forced by the Martian Witches and Wizards Guild delegation to give up magic due to his terrible luck of destroying the things he tried to fix...like a whole planets' ecology. Even the great canals dried up! The Planet Hepzibah was home to witches, warlocks, ghosts, goblins, demons, poltergeists, necromancers, banshees, nightwalkers, and...well, you get the idea. Trying to start a new life on Hepzibah, Abel bought the closed down, broken down Heartburn Haven and Taco Take-away, and with no small amount of shenanigans from local workmen, unions, and bump-in-the-night creatures, turned it into a Bar and Grill attempting to serve the best food and drink on the planet. The adventure begins as Abel attempts to make a profit...and actually stay alive. Two goals that may end up being mutually exclusive.
