A Prayer Book for Remembering the Women: Four Seven-Day Cycles of Prayer J. Frank Henderson

This new prayerbook (the perfect companion to "Remembering the Women") presents four seven-day cycles of morning and evening prayer, centered around four special themes: Anointing Women, Women Evangelists and Apostles, Holy Wisdom, and Creator and Creation. What the church doesn't pray, the church sometimes forgets. This has happened with some of the images that fill these pages. The hope in this compilation is that many of the neglected stories and poems of scriptures can take on new life in the four cycles of prayer presented. They are simple, relatively brief and readily adaptable to many situations. For communities and individuals, men and women, those who are familiar with the liturgy of the hours and those who are not, and especially for those simply looking for a new way to pray or a way to give the gift of prayer to someone else.
