## **Computer Simulation in Management Science, 4th Edition** Michael Pidd

Computer Simulation in Management Science Michael Pidd The Management School. University of Lancaster, UK The fourth edition of this book reflects its continued popularity and standing in the field. It provides a clear guide to the role of modelling in the computer simulation methods used in management science. Readers will find an in-depth coverage of the modelling, computing and statistical aspects of discrete simulation and systems dynamics. Part I is a general introduction to the simulation methods commonly used in management science. Part II gives a detailed exposition of discrete event simulation, and Part III provides a description of the methods of system dynamics as an approach to policy modelling within organisations. Overall, the book shows why computer simulation within organisations. Overall, the book shows why computer simulation models are popular and gives a thorough guide to their construction and use. Revisions to this edition include a completely new chapter on computer simulation in practice, which discusses how best to make use of computer simulation models in achieving real benefits within organisations. Updated areas include: \*three-phase and other methods \*sampling methods \*output analysis and experimentation \*discrete simulation software \*system dynamics simulation There are also links to software libraries in Turbo Pascal, C, C++, Visual BASIC and Java on the World Wide Web.

### **From reader reviews:**

#### **Ruth Beasley:**

Have you spare time for a day? What do you do when you have a lot more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a walk, shopping, or went to the Mall. How about open or perhaps read a book called Computer Simulation in Management Science, 4th Edition? Maybe it is being best activity for you. You realize beside you can spend your time along with your favorite's book, you can wiser than before. Do you agree with their opinion or you have other opinion?

#### **Donna Nichols:**

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, the particular best subject for that? Merely you can be answered for that problem above. Every person has diverse personality and hobby for every other. Don't to be forced someone or something that they don't want do that. You must know how great and important the book Computer Simulation in Management Science, 4th Edition. All type of book would you see on many resources. You can look for the internet options or other social media.

#### **Eddie McCoy:**

Hey guys, do you really wants to finds a new book to see? May be the book with the headline Computer Simulation in Management Science, 4th Edition suitable to you? Typically the book was written by renowned writer in this era. The book untitled Computer Simulation in Management Science, 4th Edition is the main one of several books that everyone read now. That book was inspired a number of people in the world. When you read this guide you will enter the new way of measuring that you ever know previous to. The author explained their idea in the simple way, and so all of people can easily to comprehend the core of this publication. This book will give you a great deal of information about this world now. So you can see the represented of the world on this book.

#### **Brandon Giles:**

Some individuals said that they feel fed up when they reading a reserve. They are directly felt the idea when they get a half regions of the book. You can choose often the book Computer Simulation in Management Science, 4th Edition to make your own personal reading is interesting. Your personal skill of reading skill is developing when you just like reading. Try to choose basic book to make you enjoy to see it and mingle the idea about book and reading through especially. It is to be 1st opinion for you to like to start a book and go through it. Beside that the book Computer Simulation in Management Science, 4th Edition can to be your brand-new friend when you're truly feel alone and confuse using what must you're doing of the time.
