**Legal Research Methods (University Casebook Series)** Michael Murray, Christy Descantis

This text provides an efficient, practice-sensitive introduction to American legal research methods and analysis. It includes instruction on finding legal sources, analyzing them, and determining the answers to legal issues in a sophisticated and efficient manner. It covers electronic and print sources, comparing and contrasting the benefits of each. The second edition has been thoroughly updated and revised so as to incorporate references to Bloomberg Law, FDsys.gov, and current examples of web-based sources for state and federal authorities.
