Meant to Wake Up Feeling Aimee Herman

Aimee Herman's powerful new poetry collection, *meant to wake up feeling*, addresses the complexities of identity, gender, memory, and body image. This is a book of surprise, humor, intimacy, fallibility, renewal. Anne Waldman writes, "Visceral, insistent, beyond transgressive...Gratitude to Aimee Herman for getting under our skin, and moving poetry-in-discourse into the feminist present and future where we study and yearn for the salvation of humanity." Herman's work takes you on a personal journey of understanding a body's identity and, in turn, helps us understand who *we* are. These poems revel in Cummings' forms, Bukowski directness, and Kerouacian playfulness. In Herman's own words, "Walk away from formula, resuscitate the dark inside, look for new bulb of light."
